Approval of Amendments to Approved Pot Slag and Furnace Cleanup Work Plans

Dear Mr. Davis,

This letter is in response to your request, dated February 4, 2010, for changes to the approved Pot Slag and Furnace Cleanup Work Plans. The changes to the plans reflect a change from the previous purchaser, Colonial Metals, to Kataman Metals, LLC.

The Illinois Environmental Protection Agency approves the amendments to the Pot Slag and Furnace Cleanup Work Plans provided the following conditions are met:

For the Work Plan for Sales of Facilities Assets – Pot Slag Revised February 4, 2010, Section entitled Waste Management, *Hazardous Waste*: Please delete the sentence Pot Slag is not a hazardous waste.

For the Work Plan for Sales of Facility Assets – Copper Furnace Cleanup Solids Revised February 4, 2010, Section entitled Waste Management, *Hazardous Waste*: Please delete the sentence Copper Furnace Cleanup Solids is not a hazardous waste.

If there are any questions concerning the above, please do not hesitate to contact me at 217-785-8725.

Sincerely,

Erin J. Rednour
